

SHAMROCK PLANT

Water:

Light, frequent waterings are needed to keep large plants constantly moist. Leach pots occasionally to dissolved accumulated salts. Feed every 2 weeks with a balanced or high phosphorous plant food.

Light:

Happy to grow in filtered sun indoors year-round or you can move it outside to a shady patio or balcony in the summer.

Temperature:

Average room temperatures of 60-75°F year-round.

If you don't see it, please ask ~ We special order.
